

Thank you for a Great 1st month of Classes!

I would personally like to say thank you to all of our dance families for making this an extremely fun and successful month. Our whole staff is enthusiastic and ready for an amazing year. I would like to say thank you to our families for continuing to support us and being understanding when scheduling changes are made as we are continuing to learn the needs of our students. I am so excited to watch our studio continue to grow and thrive over the next few months and years ahead!

Meet Miss. *Theresa*

For the month of October, we will be highlighting our Ballet and Pointe teacher, Miss. Theresa Orlandella. Theresa's journey with dance started at age 5 and has remained a passion throughout her life. Over the past 19 years, she has trained in diverse dance styles ranging from hip hop to clogging to Irish step. However her true love for dance lies with ballet. With over a decade of rigorous ballet training across various styles and levels, complemented by 6 years of experience in assistant and substitute teaching for students ages 6-18, she brings a wealth of knowledge to her role. Theresa's academic background in medical biology and kinesiology from her undergraduate studies makes her uniquely qualified to teach ballet in a manner that prioritizes safety and holistic health. Beyond the studio, she is actively engaged in scientific research at NorDx Laboratories and pursuing her masters degree at USM.
