

## Director Note:

Happy November to all our dance families! I hope you had a fantastic Halloween (and didn't eat too much candy!). We have so many exciting things coming up over the next few months as we prep for our Winter Showcase in January. We are starting a Winter Mini Session in November which is sure to invite tons of new faces to the studio and we are planning a super fun Holiday Spirit week in December. But I personally can't wait to see you all perform in our Winter Show on January 11<sup>th</sup> that you all have been working so hard towards!

A few reminders as we continue to grow our studio. Our highest priority at Dance With ME is to keep our dancers safe and healthy at all times. Please make sure that if your dancer is sick or has a fever to keep them home until symptoms are resolved. Please text the studio or fill out the absence form on our website, if your dancer can not attend their class(es) and we would be happy to recommend an alternative class they can attend to make up the missed class.

Once again, thank you all so much for your continued support. The team is so grateful to be able to share our passion of dance with each of our students.

She believes that every student is unique and deserves a personalized approach to learning. Her teaching style is focused on creating a positive and supportive learning environment where students feel encouraged to take risks, try new things, and grow as dancers.
